"Keep the Faith, Change the Church"™

LET'S GO BACK TO THE FUTURE

Saint Cyprian of Carthage, a bishop and early architect of our theology, wrote to his clergy in the third century:

"It has been a resolve of mine ... to do nothing on my own private judgment without your counsel and the consent of the people." Pope Celestine I stated in the fifth century:

"The one who is to be head over all should be elected by all."

The laity is as much an essential part of the Church as the hierarchy is.

When Voice of the Faithful calls for structural change in the Church, we look to those ancient traditions on which we were founded.

Voice of the Faithful meets the first Thursday of every month at 7:30 PM at the First Congregational Church on the Green in Norwalk. The Fairfield-Westchester affiliate meets the third Tuesday at 7:30 PM at Christ Church in Greenwich.

VOTF's goals are to support survivors of sexual abuse by priests; to support priests of integrity; and to work for structural change in the Church in accordance with the teachings of the Second Vatican Council. We invite you to visit our website:
